WORK EXPERIENCE

Econsult - Consultoria Júnior Consultant, Project Manager 2009 - 2010
I managed a team of junior analysts, had recurrent client presentations, and engaged professors to support our analyses.

Ministry of Finance - Brazil Department of Competition Advocacy Spring 2015 - Spring 2016
I assessed the competition impact of Congressional bills and norm proposals from regulatory agencies, on matters of telecommunications, culture, and intellectual property. I also briefed my manager ahead of meetings with the President's team.

IPEA - Brazil Regional Development Spring 2015 - Spring 2016
I built geo-referenced databases with socioeconomic information to subsidize regional development policies. Project supervisor: Guilherme M. Resende

World Bank Short Term Consultant to the Poverty Group Summer 2019
I consolidated Sub-Saharan countries' data regarding households' access and use of telecommunication services. I also trained a team of interns to incorporate new surveys into the database.

RESEARCH ASSISTANCE

Labor Dynamics Institute Prof. Lars Vilhuber Fall 2017 - Fall 2019
Harmonization and documentation of matched employer-employee data from Brazil.

Labor and Corporate Finance Prof. Hyunseob Kim Fall 2020 - Fall 2021
Use US Census restricted data, mainly the LBD and the LEHD, to estimate worker-level wage responses to changes in institutional ownership, merger activity, and bankruptcy.

Banking and Finance Prof. Daniel Cajueiro and Prof. Benjamin Tabak Spring 2012
Estimation of monetary policy's bank-lending and risk-taking channels using bank balance sheets.
